Sport hierarchy colored by Sport and sized by Age

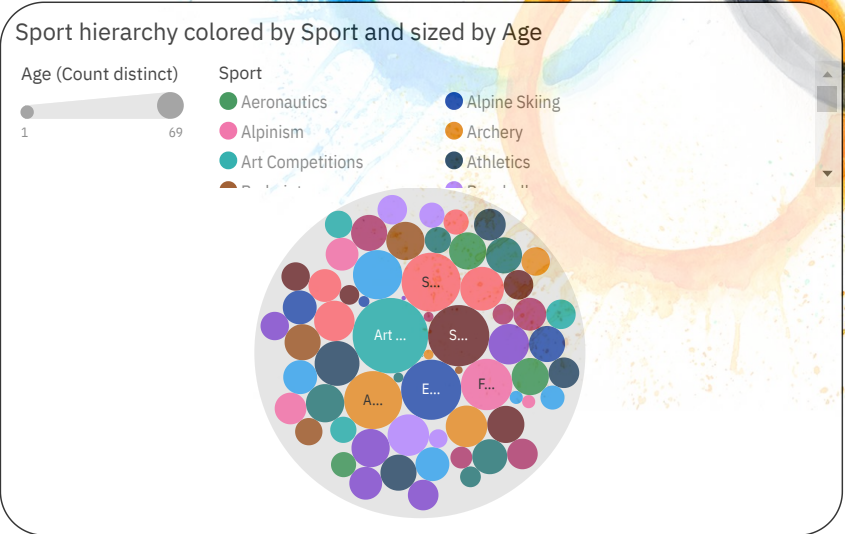

Age (Count distinct)

1 69

Sport

- Aeronautics
- Alpinism
- Art Competitions
- Archery
- Alpine Skiing
- Archery
- Athletics
- Art Competitions

The visualization is a bubble chart where each bubble represents a sport category. The size of the bubble indicates the count of distinct ages, with a scale from 1 to 69 shown at the top left. The color of the bubble corresponds to a specific sport, as defined in the legend. The bubbles are arranged in a hierarchical structure, with larger bubbles (representing more distinct ages) at the top and smaller ones below. The background features a silhouette of a person and a watercolor splash.
